To: SUE L. ROBINSON, District Court  
 From: Raymond L. Bentler, Plaintiff  
 Date: December 2, 2007  
 RE: Placed in SVOP, in Georgetown, DE 19947

Dear Honorable Judge:

On Tuesday, November 27, 2007, the MDT Board voted to send me down to Georgetown, DE, to SVOP for a 21 day sanction, which I will return to the Plummer Community CORR. Center on or about December 20, 2007.

The Plummer Community CORR. Center pack all my personal property and my legal materials, and stored them at the Plummer Comm. Coll. Center.

On or about the latter part of November, Honorable Judge Sue L. Robinson granted me an extension of time until December 7, 2007, to answer the States motion for Production of documents.

Judge Robinson, under the circumstances I will not be able to complete the motion as scheduled because all my legal documents are pack away at the Plummer Comm. CORR. Center.

Because of this situation, I am requesting  
of the court to once again allow Plaintiff  
an extension of time which will allow  
Plaintiff to answer the defendant's motion  
after December 20, 2007.

Respectfully Submitted  
Raymond L. Bruton
